**Our 50/50 Club
How about getting lucky and helping the Branch !!!!!**

For a modest £5, we guarantee you **FIVE CHANCES** to win a possible £50 first prize and lesser second and third prizes in our re-launched 50/50 Club.
In addition, you will know that 50% of the total proceeds go to your local Branch's popular Social Section.
As a registered Scottish Charity we are authorised to run this lottery

For example, if 200 members sign up at £5 per head, out of a total of £1,000 raised in the year, £500 is available for prize money with £500 going to the Branch Social Section to defray costs at their popular monthly social nights

All participants will be allocated a unique 50/50 club number and entered in the FIVE monthly prize draws undertaken at the Social Section nights. The first draw will be November and then December 2010 followed by February, March and April 2011. All winners will be notified but why not come along to Menzies Hotel in Irvine on the first Thursday of the month, enjoy a good night out and see if you are lucky.
